Application for Fund Disbursement

The Warren Jaquith & Abe Feldman Scholarship Fund was established within DC Lambda Squares to honor the memory of two longtime and much-loved members of our club. Warren Jaquith was a founding member, longtime caller, avid supporter, and dear friend. Abe Feldman joined the club in 2002 and was a longtime member and exceptionally accomplished square dancer. Both were cherished members of the DCLS community. Scholarships from the Fund may be awarded to help with registration fees and related expenses for the activities listed below.
